

Gail Matthews-DeNatale, Ph.D.
Associate Director, Academic Technology
Simmons College, Boston, MA
gmdenatale@simmons.edu, 617.521.2677

Education and Honors

Education

1989 Ph.D., Folklore with minors in Anthropology and American Studies, Indiana University

1979 B.A., French, Kenyon College (Departmental Honors, Phi Beta Kappa)

1975 Graduate, Phillips Exeter Academy

Honors

2007 *Academic Commons* Fellow. [Academic Commons](#) (AC) is an online network co-sponsored by Wesleyan College, The Center for Inquiry in the Liberal Arts at Wabash College, and Kenyon College whose goal is to create a comprehensive web resource focused on liberal arts education. AC offers two fellowships per year to support the authoring of online articles on innovation in liberal arts education.

2006 [Exemplary Course Project Award Recipient](#), administered by Nova Southeastern University, College of the North Atlantic, and Blackboard Learning Systems

1998 Dorothy Howard Education Award, American Folklore Society

1987 Indiana University, Grant-in-Aid of Doctoral Research

1985 Fellowship, Library of Congress American Folklife Center. Developed a prototype for a digital finding aid, a tool to help locate ethnographic resources in the AFC archive by topic, author, and medium (audio, photo, or print).

Experience: Employment

2006-p *Associate Director, Academic Technology, Simmons College, Boston, MA.* Academic Technology supports faculty, staff, and students in the integration of technology into teaching, learning, and research at Simmons. Duties: Research and author briefing documents; advise college leaders on emerging opportunities and best practices in teaching, assessment, and technology in education; participate in strategic planning; develop/implement new and creative initiatives that are aligned with institutional priorities; write proposals for external fund-raising; and disseminate information about project findings and results (both internally and externally).

- 2003-06 *Senior Instructional Designer*, Academic Technology, Simmons College, Boston, MA. Duties: keep apprised of promising practices in teaching, assessment, and technology in education; collaborate with faculty and administrators on strategic planning, faculty professional development, project development, and assessment.
- 2000-03 *Online Learning and Technology Specialist*, TERC/Lesley University Masters Program, Cambridge, MA. With FIPSE and NSF funding, worked with teams of faculty and other content specialists to develop courses for an inquiry-based online Masters in Science Education program for Lesley University. Co-developed and directed a web-based seminar for faculty about facilitating learning online.
- 1998-00 *Projects Manager*, EdTech Center, Northeastern University, Boston, MA. Planned and managed the development of innovative educational projects and computer-mediated learning resources.
- 1996-98 *Educational Resource Developer*, CityLore Center for Urban Culture, New York, NY.
- 1995-96 *Visiting Assistant Professor*, George Mason University, Fairfax, VA. The Institute for Educational Transformation (IET) Master's in Education Program
- 1994-95 *Curriculum Author/Editor*, Project Adventure, Beverly, MA. With U.S. Department of Education funding, documented cross-curricular experiential learning units (topic: cultural diversity).
- 1992-94 *Statewide Resource/Curriculum Coordinator*, Rural Education Alliance for Collaborative Humanities (REACH), Clemson University, Clemson, SC. Site Coordinator and Correspondent, South Carolina Cross-Age Tutoring Program (SCCAT), Clemson University, Clemson SC.
- 1991-92 *Assistant Director*, South Carolina Southeastern Media Institute, Columbia, SC. (Program co-sponsored by the University of South Carolina, the South Carolina Arts Commission, and South Carolina Educational Television.)
- 1989-90 *Director of Education*, McKissick Museum / Adjunct Faculty in Anthropology, University of South Carolina, Columbia. SC.

Experience: Consulting & Community Service

- 2007-p Greenhouse Exemplary Course Project Proposal Review Panelist
- 2005-p Annual Program Committee, NERCOMP Northeast Regional Computing Program, (<http://www.nercomp.org>). Chair of the "Learning, Technology, and Assessment" track.

- 2005-p Consultant to TERC on the development of blended (hybrid) courses for the Fulcrum Institute at Tufts University
- 2003-p ePortfolio SIG Master, NERCOMP Northeast Regional Computing Program.
- 2002-05 Grant Panelist, Challenge America: Positive Alternatives for Youth/ Reaching Every Community, National Endowment for the Arts
- 2001 Facilitator for Education and Cultural Diversity Forum, WebCT Online Learning Communities
- 2001 Faculty, Drake University Summer Teachers Institute, Des Moines, IA.
- 2000 Faculty, Multimedia Production Institute in Vietnam, Smithsonian Institution, Washington, DC. With support from the Henry Luce Foundation, I was sent by the Smithsonian to Hanoi, Vietnam, to teach a two-week intensive workshop for Vietnamese faculty.
- 2000 Faculty, University of Toledo Summer Teachers Institute, Toledo, OH. Workshop: Design for Understanding (employing the process of web site development to deepen student understanding about a topic).
- 1998-9 Advisory Committee and Grant Review Panelist, Massachusetts Cultural Council, Boston, MA.
- 1994-5 Steering Committee, Compendium of Research in Arts Education, Morrison Institute, Arizona State University, Tempe, AZ.
- 1989-94 Steering Committee, South Carolina A.B.C. (Arts in Basic Curriculum), South Carolina Department of Education, Columbia, SC (subcommittee: Media Arts and Media Literacy).
